Operation of your USD Business Current Account

Each Authorised Individual will have equal and full rights in respect of the operation of the Company's USD Business Current Account and we will not require authorisation from all Authorised Individuals before carrying out an instruction from one of you. However, if you wish to close your USD Business Current Account you will need to follow the procedure as set out below at Deactivation or Closure of your USD Business Current Account.

You must ensure that any Payer uses their own Payer bank or similar financial institution to send funds to your USD Business Current Account or to the Agent Organisation.

You must provide each Payer a receipt confirming receipt of payment and confirming that the Payer's obligation to you is satisfied when such payment is received by the Agent Organisation.

Agent services

To open and use the USD Business Current Account, you agree to:

- appoint the Agent Organisation, as your agent to receive, on your behalf, USD funds paid to you directly from a Payer; and
- the terms set out in the Agent Services Addendum.

The provisions contained in the Agent Services Addendum are agreed solely between you and the Agent Organisation. Except for the terms contained in the main body of this Account Schedule and the Annex, we are not a

party to the Agent Services Addendum and shall have no liability to you, or owe any obligations to you whatsoever in respect of the provisions contained in Agent Services Addendum.

Monthly subscription fee for your USD Business Current Account

We will apply a monthly subscription fee (paid in advance) for having a USD Business Current Account with us. This amount and the timing of the subscription fee will be set out in the Rates, Fees and Charges information sheet for USD Business Current Accounts. You authorise us to deduct this subscription fee from your £ Sterling Business Current Account. This subscription fee is non-refundable.

If you sign up for your USD Business Current Account part way through a month, at our discretion we may waive the subscription fee for that partial month provided you keep your USD Business Current Account open until at least the first day of the following month (and we have successfully taken payment for that month).

Access to your USD Business Current Account

Each Authorised Individual will have access to the USD Business Current Account through the App and Online Banking and will have full permission to use any of the features without having to seek permission from any other Authorised Individual, including in relation to granting Third Party Providers access to, and authority to make payments from, the USD Business Current Account. All Authorised Individuals will be able to see all payment transactions made on the USD Business Current Account and access all other features of the App and Online Banking in relation to the USD Business Current Account and this may include seeing the full support history on the USD Business Current Account for all Authorised Individuals.

Maximum Payment Limits and Restrictions

Payments from your USD Business Current Account are subject to limits and restrictions we set from time to time, such as to the maximum amounts you can send on: (i) an individual payment basis; and/or (ii) a daily or other periodic basis. You can find out more about these limits and restrictions in the App and on the Website. We may consider allowing you to make a payment transaction beyond any such limits or restrictions - please get in touch with us to request this.

Further Information

If we ask you for further information (including tax information), you will provide us with this information as soon as possible. We will only ask for further information where it is necessary to be able to continue to operate your USD Business Current Account or is reasonable to do so in the circumstances.

Debit Card/ATM Withdrawals

Once a debit card is available with your USD Business Current Account, you will be able to use it to make payments and withdraw money from ATMs from your USD Business Current Account in accordance with the terms of your Agreement with us. Further fees and charges will apply. These will be set out in the Rates, Fees and Charges information sheet for USD Business Current Accounts.

Post Office Counter Services

You may not withdraw or deposit funds from or into your USD Business Current Account using the Post Office Counter Service.

Cheques

We are unable to accept USD-denominated cheques at this stage. If you send us a USD-denominated cheque, we will return this to you at the Company address we hold for you.

Change of Control

If there is a change in any Person of Significant Control of the Company, you must notify us immediately.

Where you inform us of a change of Person of Significant Control of the Company or we become aware of such an event, we may close the USD Business Current Account immediately.

Disputes

If you inform us or we become aware of a dispute within the Company, we will go through the following process:

1. we will place a restriction on the USD Business Current Account to state that we will only take written instructions via the App from all Authorised Individuals of the Company in respect of the USD Business

Current Account (this means we will not process payment instructions from the USD Business Current Account unless authorised to do so by all the Authorised Individuals of the Company); and

2. we will only remove the restriction when all the Authorised Individuals have confirmed in writing that the dispute has been resolved.

It is your responsibility to inform us if there is any such dispute.

No Overdraft

No Overdraft Facility is available on your USD Business Current Account.

Set Off

If we exercise our right of set off in respect of credit balances on your USD Business Current Account pursuant to the paragraph entitled "Set Off" in Section 5 (General) of the General Part, we will: (i) convert any amounts we set off using our prevailing exchange rate; and (ii) charge the then applicable fees (as shown on our App or Online Banking and Website), both at the time and date of doing so. We will notify you of this rate and fees as soon as possible upon doing so.

Deactivation or Closure of your USD Business Current Account

You may request that we deactivate or close the USD Business Current Account by providing written instructions from at least one Authorised Individual to do so.

Prior to the deactivation or closure of your USD Business Current Account, you must ensure you have transferred all funds to either a USD denominated account with another bank in the same name as the Company or transfer these to your £ Sterling Business Current Account using our prevailing exchange rate and then-applicable fee at the time as shown on our App or Online Banking and our Website (which will be deducted from the funds sent). We will not send you a cheque for any funds remaining in your USD Business Current Account.

Where we deactivate your USD Business Current Account, you will not be able to use the USD Business Current Account (including making or receiving any transactions or scheduled payments) until you contact us to reactivate the USD Business Current Account. Whilst your USD Business Current Account is deactivated, we will pause the monthly subscription fee.

Where your USD Business Current Account is closed at the same time as your Business Current Account, we will convert the funds remaining in your USD Business Current Account to £ Sterling using our prevailing exchange rate at the time and charge you the then-applicable fee at the time as shown on our App or Online Banking and our Website (which will be deducted from these funds), combine these funds with any remaining funds in your Business Current Account and return the combined funds in accordance with the paragraph entitled "Closing your Account" in Section 3 (Managing your Account) of the General Part.

In addition to our rights set out in the paragraph entitled "Closing your Account" in Section 3 (Managing your Account) of the General Part, we may close or suspend your USD Business Current Account immediately on notice and terminate our Agreement in respect of your USD Business Current Account if:

- any of the confirmation statements listed in the section entitled "your Company" above are or become false, inaccurate or misleading or we reasonably suspect they are;
- we close your £ Sterling-denominated Business Current Account;
- your Company is wound up and removed from the UK Companies House register for any reason;
- your Company goes into insolvency, has a winding up petition filed against it, has a receiver or administrator appointed in respect of it, is unable to pay its debts as they fall due or, in respect of any of the foregoing, any analogous or similar procedure is instituted against it;
- we become aware of any dispute between the People of Significant Control of the Company or Authorised Individuals;
- it is against the law for us to maintain your USD Business Current Account;
- we are no longer permitted by any third party to provide the USD Business Current Account;
- you refuse to comply with the Agent Services Addendum or the Agent Services Addendum is terminated;
- for circumstances beyond our control we are no longer permitted to provide the USD Business Current Account; or
